Dear Applicant:

This letter constitutes a final adverse ruling with respect to your claim of exemption from federal income taxation under section 501(c)(4) of the Internal Revenue Code.

We make our ruling for the following reason(s):

You have not established that you carry on substantial social welfare programs. In light of your documented operation of a commercial bingo hall and a rental and catering business, we conclude that these businesses are your primary activities. You have also failed to establish that your funds have not been used for private purposes. Lastly, you have not submitted an organizing document to establish that you are a legal entity eligible for tax exemption. Accordingly, you are not exempt under section 501(c)(4).

The Code and the regulations issued thereunder require that you file federal income tax returns. Based upon the financial information that you furnished, you should file returns on the form and for the tax years indicated above within 30 days from the date of this letter with your key District Director for exempt organization matters, shown above, unless you request and your key District Director grants an extension of time to file the returns. You should file returns for later tax years with the appropriate service center indicated in the instructions for those returns.

Sincerely,
